Notes to the Consolidated Financial Statements

1. Reporting entity

Eimskipafélag Íslands hf. (the "Company" or the "Parent Company") is a public limited liability company domiciled in Iceland. The address of the Company's registered office is Korngardar 2, 104 Reykjavík. The Condensed Consolidated Interim Financial Statements of the Company for the period 1 January to 30 June 2018 comprise the Company and its subsidiaries (together referred to as "Eimskip" or the "Group"). The Parent Company is an investment company focused on investments in shipping and logistics services. The Company's shares are listed at Nasdaq Iceland.

2. Basis of preparation

a. Statement of compliance

The Condensed Consolidated Interim Financial Statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the EU and additional Icelandic disclosure requirements for consolidated financial information of listed companies in accordance with Icelandic Financial Statements Act No. 3/2006 and rules for issuers of financial instruments on Nasdaq Iceland.

The Condensed Consolidated Interim Financial Statements do not include all of the information required for a complete set of consolidated annual financial statements and should be read in conjunction with the Consolidated Financial Statements of the Company as at and for the year ended 31 December 2017, which is available on the Company's website, www.eimskip.is, and in the company news release distribution network of Nasdaq Nordic.

The Condensed Consolidated Interim Financial Statements were approved and authorized for issue by the Company's Board of Directors on 30 August 2018.

3. Significant accounting policies

Except as described below, the accounting policies applied in these Condensed Consolidated Interim Financial Statements are the same as those applied in the Group's consolidated financial statements as at and for the year ended 31 December 2017.

The changes in accounting policies are also expected to be reflected in the Group's consolidated financial statements as at and for the year ending 31 December 2018.

The Group has initially adopted IFRS 15 Revenue from Contracts with Customers and IFRS 9 Financial Instruments from 1 January 2018.

IFRS 15 Revenue from Contracts with Customers establishes a comprehensive framework for determining whether, how much and when revenue is recognised. IFRS 15 replaces the guidance in IAS 18, IAS 11 and related interpretations. The former practices for recognizing revenue have shown to comply in all material respects with the concepts and principles of IFRS 15. Accordingly the information presented for 2017 has not been restated and there is no impact of transition to IFRS 15 on retained earnings at 1 January 2018.

IFRS 9 sets out requirements for recognising and measuring financial assets, financial liabilities and some contracts to buy or sell non-financial items. This standard replaces IAS 39 *Financial Instruments: Recognition and Measurement*. IFRS 9 largely retains the existing requirements in IAS 39 for the classification and measurement of financial liabilities. However, it eliminates the previous IAS 39 categories for financial assets of held to maturity, loans and receivables and available for sale. IFRS 9 also replaces the 'incurred loss' model in IAS 39 with an 'expected credit loss' model. The new impairment model applies to financial assets measured at amortised cost, but not to investments in equity instruments. Under IFRS 9, credit losses will be recognised earlier than under IAS 39. The information presented for 2017 has not been restated and there is no impact of transition to IFRS 9 on retained earnings at 1 January 2018.

These Condensed Consolidated Interim Financial Statements are presented in Euro (EUR), which is the Company's functional currency. All financial information presented in EUR has been rounded to the nearest thousand.

Certain comparative amounts in the income statement and related notes have been restated as a result of change in the classification of revenue and expenses.

4. Use of estimates and judgements

The preparation of the Condensed Consolidated Interim Financial Statements in conformity with IFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

In preparing these Condensed Consolidated Interim Financial Statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those applied to the Consolidated Financial Statements as at and for the year ended 31 December 2017.

13. Other matters

Eimskipafélag Íslands hf. and its subsidiaries, Eimskip Ísland ehf. and TVG-Zimsen ehf., have been under investigation of the Icelandic Competition Authority since 10 September 2013.

On 6 June 2018 the Company received first statement of objections from the Icelandic Competition Authority which is a part of the procedure in the investigation that started in 2013. The statement contains the preliminary assessment of the Icelandic Competition Authority, but is neither an administrative act nor a binding decision. The purpose of the statement is to ensure that the case will be fully investigated before a final decision is made and to enable the Company to use its right to put forward its arguments and objections according to the administrative procedure act.

13. Other matters, continued

The investigation period is from 2008 up to and including 2013. It is the preliminary assessment of the Icelandic Competition Authority that during this period Eimskip, and its competitor Samskip, committed a continuous illegal collusion which had as its main objective to restrict competition within the meaning of competition law. At this stage of the investigation, it is the assessment of the Competition Authority that the essence of the continuous collusion did not in the least entail the following: Collusion on limiting transportation supply; Market sharing by customers; Market sharing by regions in Iceland; Price collusion; Sharing of information on sensitive business matters.

Icelandic Competition Authority aims to send the Company additional statement of objections, statement of objections II, as soon as possible. The Company has no information on when it will be received.

On 11 May 2018 the CEO and the Executive Vice President of International Operations and Logistics went to the office of the District Prosecutor for formal questioning and both received a status of defendant on the same day. The investigation of the District Prosecutor concerns Article 10 of the competition law and whether concerted practices, regarding price or distortion of markets, has taken place. The above mentioned employees have requested access to all information of the case that they have not been granted yet.

Any elaboration on the potential outcome of the investigation is premature, and no information is available on potential fines, or if they will materialize. The investigation has had no effect on the Company's Financial Statements. For further information, see note 23 in the Company's Consolidated Financial Statements 2014.

Tax related matters

The Icelandic Directorate of Internal Revenue ruled in December 2017 that the Company should pay EUR 0.2 million in income tax for operations of foreign vessel subsidiaries in 2013 and 2014. The Company does not agree with the ruling and has appealed it to the Internal Revenue Board. The Company has paid the EUR 0.2 million in income tax, but has not expensed the tax in the Income Statement. If the Company loses the case due for the years 2013 to 2018, it is estimated that the Company will have to expense EUR 4.9 million in the Income Statement and pay EUR 0.6 million, as well as utilizing tax loss carried-forward.
